

In a year when the economy remains "iffy" at best, Conifer Newcomers and Neighbors is please to announce that we bettered our 2011 "Boutique" fundraiser over the past few years! The ability to continue to contribute to mountain community agencies and organizations to enable them to carry out their missions is our primary goal, and to that end we have distributed grants to the following:

Conifer High School
NHS
Challenge Group
Athletic Dept.
Student Council
Principal
DECA

Boy Scout Troop 400
West Jefferson Elementary (Science Program)
Conifer Area Council (Conifer area signage)
Mountain Land Trust (GPS System)
Evergreen Animal Protection League
West Jefferson Middle School (Library Sign)
Team Blitz Robotics
Mt. Evans Hospice
Mountain Peace Shelter
Mountain Resource Center
Conifer Community Park at Beaver Ranch

Thank you firstly to our members who volunteer their time and efforts to this wonderful yearly event. In addition, our gratitude to our area residents for their support each and every year- we will continue to strive to provide deserving organizations with funding so desperately needed, in the spirit of fellowship and friendship Conifer Newcomers and Neighbors provides us all!
