June 2019

*Welcoming new members to the Greater 285 Corridor through social & civic activities
There are no strangers here, only friends who haven't met.*

President's Message

Our beautiful mountain summer has almost arrived. I hope you love being outdoors as much as I do! CN&N has many great activities for your enjoyment this summer. Be sure to check them out at our June meeting.

A big Thank You goes to all of the volunteers that made our fabulous spring luncheon a success. We all had a great time and learned a few things. I was surprised to know that Chinese fortune cookies were invented in San Francisco (or was it really Las Angeles).

If anyone attending Barbara White's memorial service would like to help with desserts but didn't sign up, please contact me and I will add you to the list.

I would like to personally thank all of you who have volunteered in any capacity to make this a successful year for CNN. Your behind the scenes effort is critical for this organization. Thanks also to Susie for taking over for me at the June meeting. My oldest is celebrating her 40th birthday. Where did the time go.

Colleen

Greeters for the June meeting will be those members whose last names begin with **W-Z**.
